OUR March Activities

March was host to many different and exciting activities. Finally we were able to hold our belated Christmas Relative and Resident quiz. Residents certainly enjoyed that life was a little more normal, even with masks and aprons! The wine also went down easy too. Residents made a decision that they wished for the funds raised by the Raffle to go the children of Ukraine. Residents felt that they wanted to do something to show they were standing by them and that they were in their hearts and minds, hoping for a peaceful end to things and that families could reunite once more.

We are just two lambs walking in the wilderness

Nothing brings a smile to our faces more than spring and this beautiful Lamb visiting us really brightened our day. Many thanks Kelly for sharing this precious creature with us.

Anything is good if it's

We enjoyed a great game of beer pong, but being the Orchards we put our own slant on it, no beer here. Welcome to Cadbury world pong. Every cup is a winner.

We would like to wish a Happy Birthday to our residents born in March. Those born in March's birthstone is the beautiful **aquamarine**. Associated with courage, loyalty and friendship, aquamarine's healing properties mean that it has been historically used to drive out negative emotions.

It is coming to that time of year again of the Trust Garden competition, this years theme is the Queens jubilee. So we would love any donations of flowers or flower pots of red, white and blue to enhance the garden for us all.

With so many wonderful staff it is always hard to identify one. Our team nominated one staff member in March.

Amy is new to care but her kindness and compassion shows through. She is cheerful and shows immense patience.
